

## UMCX Plug to MCX Jack Bulkhead Cable 24 Inch Length Using RG178 Coax

**PE38889-24**

### Configuration

- Connector 1: UMCX Plug Right Angle
- Connector 2: MCX Jack Bulkhead
- Cable Type: RG178
- Coax Flex Type: Flexible

### Features

- 69.5% Phase Velocity
- FEP Jacket

### Applications

- General Purpose
- Laboratory Use

### Description

Pasternack's PE38889-24 UMCX plug right angle to MCX jack bulkhead 24 inch cable using RG178 coax is part of our full line of RF components available for same-day shipping. Pasternack's flexible RF cable assemblies are ideal for applications where tight bends and flexure are required. This Pasternack UMCX to MCX cable assembly has a plug to jack gender configuration with 50 ohm flexible RG178 coax. The right angle UMCX interface on the RG178 cable allows for easier connections in tight spaces. Our RF cable assembly with MCX bulkhead interface allows designers to create external connections on their product enclosures, and can be used in a variety of other rack mount and panel mount applications.

Custom versions of most RF cable assemblies can be built and shipped same day. Custom cable assembly lengths can be obtained by specifying the desired length on the web site at time of order or by contacting a sales representative. Other available RF cable assembly value added services include connector orientation or clocking, heat shrink booting and custom labeling. RF testing can also be performed to document the electrical performance of your cable assembly.

### Electrical Specifications

| Description             | Minimum | Typical      | Maximum | Units        |
|-------------------------|---------|--------------|---------|--------------|
| Velocity of Propagation |         | 69.5         |         | %            |
| Capacitance             |         | 29.4 [96.46] |         | pF/ft [pF/m] |

### Mechanical Specifications

#### Cable Assembly

|                |                   |
|----------------|-------------------|
| Length         | 24 in [609.6 mm]  |
| Width/Diameter | 0 in [0 mm]       |
| Weight         | 0.01 lbs [4.54 g] |

#### Cable

|            |         |
|------------|---------|
| Cable Type | RG178   |
| Impedance  | 50 Ohms |

### PE38889-24

|                                      |                            |
|--------------------------------------|----------------------------|
| Inner Conductor Type                 | Stranded                   |
| Inner Conductor Material and Plating | Copper Clad Steel, Silver  |
| Dielectric Type                      | PTFE                       |
| Number of Shields                    | 1                          |
| Shield Layer 1                       | Silver Plated Copper Braid |
| Jacket Material                      | FEP, Tan                   |
| Jacket Diameter                      | 0.072 in [1.83 mm]         |
| Repeated Minimum Bend Radius         | 0.393 in [9.98 mm]         |

### Connectors

| Description                   | Connector 1           | Connector 2       |
|-------------------------------|-----------------------|-------------------|
| Type                          | UMCX Plug Right Angle | MCX Jack Bulkhead |
| Specification                 |                       | MIL-C-39012       |
| Impedance                     | 50 Ohms               | 50 Ohms           |
| Configuration                 | Right Angle           | Straight          |
| Mating Cycles                 |                       | 500               |
| Contact Material and Plating  |                       | Brass, Gold       |
| Contact Plating Specification |                       | 30μ in minimum    |
| Dielectric Type               |                       | Teflon            |
| Body Material and Plating     |                       | Brass, Nickel     |
| Body Plating Specification    |                       | 100μ in minimum   |
